4. If an athlete is member of a boat that qualifies for K4 and competes as well in K2 and/or K1 in the Qualification Regatta, the K2 and/or K1 results will not be considered for the purpose of the allocation of quotas to boats and athletes.
5. If an athlete is member of a boat that qualifies for K2 and competes as well in K1 in the Qualification Regatta, this K1 result will not be considered for the purpose of allocation of quotas to boats and athletes.

There will be no reallocation of quotas between categories. The reassignment will be made according to the following guidelines:

2. If an NOC returns two quotas in a category, the quotas must be reallocated to the next highest ranked NOC that has not yet qualified in that category in the Olympic doubles event of the Qualification Regatta;
